

Golden Years Review

From our kitchen....

I went to an outdoor restaurant last night. It was a disaster... pouring with rain. It took me almost 2 hours to finish my soup.

My first day as crime scene investigator
Detective: How did this man drown?
Me: He couldn't breathe underwater.

I was shocked at the price of those 'Ancestry DNA kits', so rather than spend \$150, I just announced that I had won the lottery...I quickly found out who my relatives were!

A new study recently found that humans eat more bananas than monkeys. I can't remember the last time I ate a monkey.

Two things to make you day better:
1. Do not watch the news.
2. Stay off the bathroom scales.

I get most of my exercise these days from shaking my head in disbelief.

If you see me jogging, please kill whatever is chasing me.

Me: Alexa what's the weather this weekend?
Alexa: Doesn't matter you ain't going anywhere.

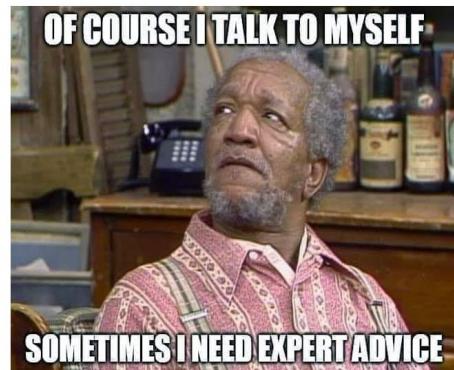

Therapist: How would you say you learn best?
Me: The hard way.

I was standing in the park wondering why frisbees got bigger as they get closer...then it hit me

My therapist: Why aren't you being honest with me?
Me: Because I don't wanna be hospitalized...

I'm proud to announce that I have completed the 1st item on my bucket list. I have the bucket!

My 3 year old granddaughter asked: "Where does poo come from?"
"You just had your breakfast?"
"Yes," she replied.
"Well, the food goes in your mouth down into your tummy. Our body takes all the good stuff it needs out of the food and what's left goes down to your bottom and when you go to the toilet that comes out as poo."
She looked confused and stared at me in stunned silence for a few seconds. Then she asked: "And Tigger?"

Old age comes at a bad time!
When you finally know
everything. You start to
forget everything you know.

Just burned 3000 calories!
That's the last time I leave
brownies in the oven while I
take a nap.

Ok, I'm ready for rich people problems. I've
mastered broke people problems, so I'd like to
move to the next level please.

One day the first grade teacher
was reading the story of
Chicken Little to her class. She
came to the part where Chicken
Little warns the farmer. She
read, "...and Chicken Little
went up to the farmer and said,
"The sky is falling!" The
teacher asked the class, "And
what do you think the farmer
said?" One little girl raised her
hand and said, "I think he said:
'Holy smokes (I cleaned up that
word)! A talking chicken!'" The
teacher was unable to teach the
class for 10 minutes.

I leave my house a mess
so when my friends visit,
they go home feeling
way better about their
housekeeping skills. I'm
just that good of a friend.

I have to walk early in
the morning, before my
brain figures out what
I'm doing.

I like to make lists. I
also like to leave them
on the kitchen counter
and then guess what's
on the list while I'm at
the store.

The advantage of
exercising every day is
so when you die,
they'll say, 'Well, she
looks good doesn't she.'

A little girl was sitting next to her
grandfather as he read her a bedtime
story. From time to time, she would
take her eyes off the book and reach
up and touch his wrinkled cheek. She
touched her own cheek after she
touched his. After a little while of
thinking she asked, "Grandpa, did
God make you?" He looked at her
and said, "Yes, sweetheart, God made
me a long time ago." She paused for
a few seconds and then asked,
"Grandpa, did God make me too?"
He replied, "Yes, indeed pumpkin,
God made you just a little while ago."
Feeling their respective faces again,
she whispered to him, "God's getting
better at it, isn't he?"

My wife asked me why I spoke so
softly in the house. I said I was
afraid Mark Zuckerberg was
listening! She laughed. I laughed.
Alexa laughed. Siri laughed.

It turns out that when asked
who your favorite child is,
you're supposed to pick one of
your own. I know that now.

Smile

**ME WALKING BACK
TO THE CAR**

**CAUSE I FORGOT
MY FREAKING MASK**

I'd rather look back at
my life and say "I can't
believe I did that"
instead of saying "I wish
I did that."

If it is true that stress
brings on weight loss,
why am I not invisible.
